Precinct **AB-01**

STATE OF HAWAII CONSTITUTIONAL CONVENTION QUESTION	Hawaii: Initiative and Referendum Should Article XI of the County Charter, Initiative and Referendum, which authorizes voters to create, approve, or reject laws by popular vote, be amended by 1) providing that ordinances approved by initiative cannot be amended by the County Council for at least three years, except by a two-thirds vote; 2) giving the petitioner's committee, rather than the County Clerk, ultimate responsibility to provide a ballot title, question, and summary prior to the circulation of any petition; 3) requiring notice if the petition circulators were paid for their services; 4) changing identification requirements for electors signing petitions to add their month and day of birth and the last four digits of their social security number and remove the requirement to include their residence address; 5) requiring the publication in two daily newspapers with the largest circulation the ballot title, question, summary and arguments for and against the measure for three Sundays preceding the election; 6) adding a section of definitions to clarify terms; and 7) extending some of the timeframes for submission and review of petition documents?	PROPOSED AMENDMENT BY INITIATIVE TO THE HAWAII COUNTY CODE The full text of the amendment to the Hawaii County Code covered by this ballot is available for inspection at your polling place. Ask an Election Official for it, if you wish to see it.
CON CON: Constitutional Convention Question "Shall there be a convention to propose a revision of or amendments to the Constitution?"	<input type="checkbox"/> YES <input type="checkbox"/> NO	Hawaii: Lowest Law Enforcement Priority of Cannabis OBJECTIVE SUMMARY Proposal: The proposal would add an article to the Hawaii County Code titled and to be known as the "Lowest Law Enforcement Priority of Cannabis Ordinance". The proposed article would direct law enforcement officials of the County of Hawaii to treat the "adult personal use" of Cannabis as its lowest law enforcement priority and prohibit the county from accepting or expending funds for the marijuana eradication program and for enforcing potential offenses for the adult personal use of Cannabis. It requires the Hawaii County Council work with the Chief of Police to establish procedures for the acceptance of grievances for those who believe the Lowest Law Enforcement Priority provisions have been violated by local law enforcement and requires that the County Clerk send a letter on an annual basis to federal and state legislators requesting that State and Federal laws pertaining to private and personal adult use of Cannabis be repealed. Present Provision: The Hawaii County Code does not contain laws relating to Cannabis or the priorities of local law enforcement. BALLOT QUESTION 1. Should the Hawaii County Code be amended to add a new article that would be titled and known as the "Lowest Law Enforcement Priority of Cannabis Ordinance", which would (1) direct the county to make law enforcement related to Cannabis (marijuana) offenses, when the Cannabis is only intended for adult personal use, their lowest law enforcement priority; (2) define "adult personal use" to include the use of Cannabis on private property only by persons twenty one years of age or older; (3) prevent county law enforcement officials from accepting deputization or commissions from a federal law enforcement agency for purposes of investigating, citing, or arresting citizens or searching or seizing their property if doing so is inconsistent with the lowest law enforcement priority of Cannabis ordinance; (4) prohibit the Hawaii County Council from authorizing the acceptance of or issuing funding to be used to investigate, cite, arrest, prosecute, search or seize property from adults when doing so would be inconsistent with the lowest law enforcement priority for Cannabis policy; (5) and direct the County Council not to support the acceptance of any funds for the marijuana eradication program? IF YOU AGREE, VOTE "FOR." IF YOU DISAGREE, VOTE "AGAINST."
